Sir,

I have the honour to state that the Officer in charge of the Serum institute, Bangalore, in his letter No. 1729 dated 25th March 1929 requested the President, District Board to instruct the several contractors in my jurisdiction not to levy fees at the several santes and Jatras on the animals belonging to Government and sent there for sale, and further stated the comptroller objected to pass the amount paid as tolls on the ground that the animals are Government ones.

At present no such exemption exists and a new clause will have to be inserted in the sale notifications re-lating to Santes and Jatras. However the subject was placed for consideration of the Board at their meeting held on 29th and 30th June 29. The Board were in favour of granting the exemption and further resolved that all the contractors may be apprised ~~xxx~~ of this exemption. A copy of the resolution passed on the subject is herein enclosed for reference.

I request that you will be so good as to obtain sanction of Government in the matter of inserting a new clause in the sale notifications relating to Santes and Jatras in the District exempting from payment of toll of fees to the animals belonging to Serum

Copy of the letter No. 1739 dated 25 March 1929, from the Officer in charge of the Serum Institute, Bangalore, to the President, District Board, Shimoga.

I have the honour to state that when the animals of the Mysore Serum Institute are sent for Santhes or Jattras for sale toll gate fees are collected at the Jattras and the Comptroller objects to pass the amount paid as tolls on the ground that the animals are Government ones. The toll gate authorities do not allow the animals to pass through even though they are told the animals belong to Government.

I request that you may be so good as to instruct the several toll gate authorities in your jurisdiction to allow the animals to pass free of tax when they are in the District Board areas.

The action taken in the matter may kindly be intimated at an early date.
